THE McKENDREAN

OF

1936

PUBLISHED BY THE STUDENTS

OF

McKENDREE COLLEGE

Lebanon, Illinois

DR. CLARK ROLLAND YOST

DEDICATION . . .

The past scholastic year saw the advent of a new president to McKendree. The first year of this new president's regime will doubtless be associated with the McKendree Forward Movement, in its Cultural, Spiritual, and Financial aspects. It is to this new president, Clark R. Yost, a Christian gentleman, that this book is sincerely dedicated.

FOREWORD . . .

There are so many incidents in our daily life on "the Hill" that much of the charm of this year will be ours in memories alone. The McKENDREAN has endeavored to catch some of the richness of our privileges and friendships, a few of the joys and perhaps sorrows, possibly worries and even disappointments. Should these pages bring you some satisfaction as you read them and aid you in recalling pleasant memories, we shall feel that our task will not have been in vain. It is to this end that we, the Staff, present this, the 1936 McKENDREAN.

ALMA MATER . . .

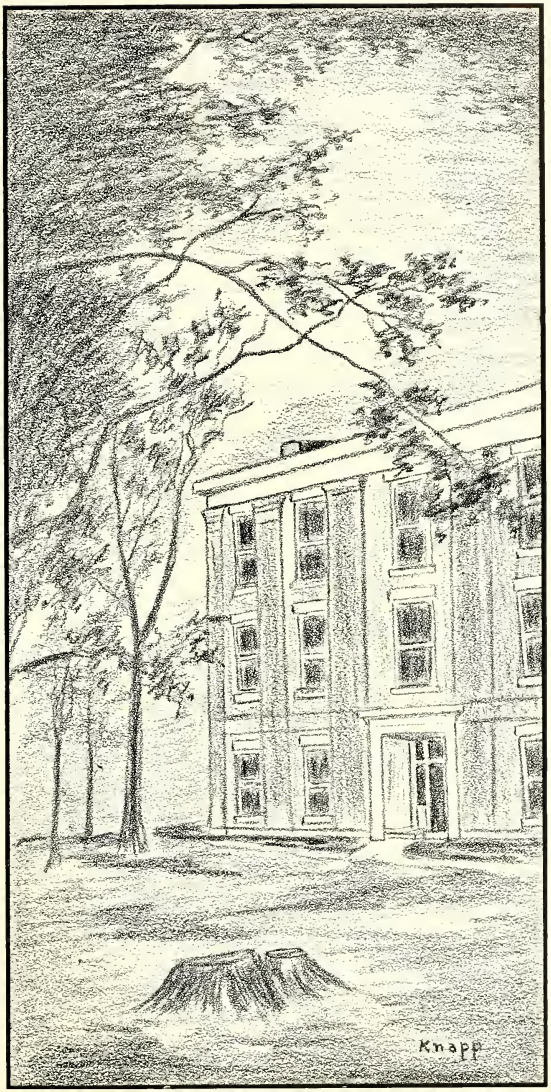
A College 'mid plains is standing,
Standing there from olden days;
A pioneer of learning;
First in untrodden ways.
For service and Christian culture,
For efficiency she stands;
Her sons and daughters praise her
With voices, hearts, and hands.

Hail to thee, our dear old McKendree,
May we always loyal be;
It's a song of praise we'll raise to thee,
Alma Mater, dear old Mc.
May we ever hold thee true and wise and right,
Honor Purple and the White,
And for Victory we'll always fight
'Til we win for old McK.

Enduring and strong she stands there,
Stands upon our College hill;
Tho' others may outnumber,
She holds the first place still,
For beauty, truth, and knowledge,
And for service without bound;
Then let us raise our voices
Until the plains resound.

LATCHIE MYRICK (Mrs. St. Clare Flint)
and ELIZABETH WILKINSON (Mrs. Don Gerking).

THE COLLEGE . . .

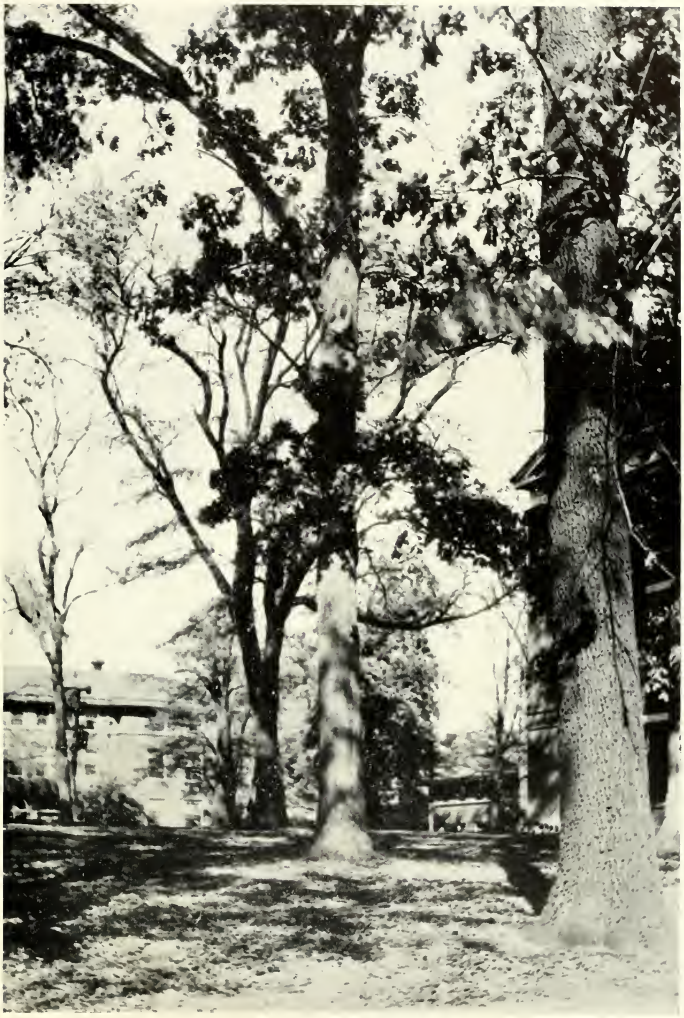


A scene that will recall the cloister, the classroom, the chapel, and the crucible.

Within these sacred walls we
may commune
At will with shining souls and
giant minds
Of every age—the light unto
our feet—
Who live in these, their
books, eternally.

A hall in which to study, a hall in which to worship, and a hall in which to live.

Since pioneer days in the Middle West, many have sat at the feet of the Learned Ones to imbibe their wisdom. Not long now and We, who are so much concerned with "Us", shall be as They—feet, echoing silently down the corridors of Old Main.



Just a picture of light and shadow where one may loiter and be sheltered from the sun; or perhaps a place to linger when the moon filters through the branches, where one may charm or be charmed.

COLLEGE AGE . . .

By

ETHEL R. FULLER

"And he must go who's lived so few short springs—
Just eighteen Aprils since his wide gray eyes
First mirrored lilacs and blue butterflies—
I did not know til now how swift the wings
Of time! The full sweet years, where have they flown?
Each minute of the day filled to the brim
With plans, with hopes, with dreams alone for him!
My little boy, who suddenly is grown.

And he must go . . . for this, have mothers borne
Tall splendid sons from immemorial days—
To say God-speed some early autumn morn,
To stand aside and let them go their ways.
And if I weep to see my lad depart,
It is from pride, not from a breaking heart."

THE COLLEGE STUDENT . . .

(With profuse apologies to Mr. Rudyard Kipling)

By

T. D. A. COCKERELL

"Vacation's here, an' I return
To Pokerville, but not the same;
Things 'ave transpired which made me learn
The size and meanin' of the game.
I did no more than others did,
I don't know when the change began;
I started as an average kid,
I finished as a thinkin' man.
If college was what college seems,
An' not the college of our dreams,
But only yells an' jazz an' paint,
'Ow quick we'd drop 'er—But she ain't!"

PI KAPPA DELTA

Left to right—K. Brown, Bracy, Dean Baker, Miss Wilson, Zahnow, D. Schmedake, Dr. Scherer, C. Hertenstein, Dr. Hayter.

The Illinois Theta chapter represents our campus in Pi Kappa Delta, the largest national forensic fraternity in the country. This organization has an active chapter roll of one hundred thirty-eight chapters in thirty-four states. The Illinois Theta chapter, formerly a member of the Missouri Province, has transferred its membership to the Illinois Province.

The chief aims of the organization are "the stimulation of progress in, and the promotion of the interests of intercollegiate oratory, debate and public speaking by encouraging a spirit of intercollegiate fellowship." Deserving candidates are rewarded by badges of distinction, varied and graduated according to merit and achievement.

The delegates of the local chapters to the biennial national conventions elect a National Council, which acts as the governing body of the organization. Each chapter is required to be represented in at least every other national convention. This year's national convention is being held at Houston, Texas.

In carrying out its aims, Pi Kappa Delta sponsored intercollegiate debates with Carbondale Teachers' College, The Principia, Greenville, Shurtleff, and Blackburn Colleges, Concordia Seminary, and St. Louis University. The question debated was the national Pi Kappa Delta one, Resolved: "That Congress should have the power to override by a two-thirds majority vote, decisions of the Supreme Court declaring laws passed by Congress unconstitutional."

Those eligible for membership included: Miss Thomas (honorary), Mary Etta Reed, Elizabeth McGary, John Oppitz, Roy Griebel, Harold Hertenstein and Harry Walker.

The annual social affair was held in the spring.

ALPHA PSI OMEGA

President . . . . . Catherine Gilkison
Vice-President . . . . . Carl Bracy

Alpha Psi Omega, National honorary dramatic fraternity, is the goal of every college student interested in dramatic work. The Alpha Theta Cast, established in 1927, recognizes all those who have shown outstanding ability in the dramatic productions of the college.

The point system is used to determine eligible members. The business manager, with his "mad job" of managing, advertising, and "last minute" changes, is given eligibility credit as well as the "Don Juan" and "ingenue."

Reduced royalty on popular plays can be secured by local casts through the national organization. Information regarding problems of selecting and staging plays, as well as interesting notes of the activities of the various casts is provided by "The Playbill," official publication of the national organization.

The eligible members who were initiated during the second semester were: Mary Etta Reed, Elfrieda Heer, and Willard Friederich.

The spring banquet was held May 22nd.

Standing—Catherine Gilkison, Carl Bracy, Clifford Hertenstein, Haro'd Hertenstein, Pearl Dick
Seated—Dorothy Schmedake, Miss Harper, Miss Thomas, Miss Wilson, Mary Margaret Carson.

SIGMA ZETA

Top—Carl Koch, Dr. Spencer, Dr. Scherer.
Middle—Emil Frech, Clifford Hertenstein, William Eaton, Dr. Stowell.
Front—Bernard Baldridge, Mary L. Dieckmann, Iva Lou Cralle, Velma Hamilton, Mary T. Knapp, Clyde Melton.

Sigma Zeta, a national honorary science and mathematics fraternity recognizing worthy achievement in these fields, is enjoying its tenth anniversary on our campus this year. It is represented on "the hill" by the Beta Chapter.

The National Conclave of Sigma Zeta was held at Cape Girardeau State Teachers' College, April 17-18, 1936. The fraternity again sponsored a Freshman Essay Contest on scientific subjects and presented a cash prize to the winner.

The chapter celebrated its tenth anniversary with a party to which both active and alumni members were invited.

SIGMA TAU DELTA

Sigma Tau Delta, national honorary and professional literary fraternity, is a new organization on the campus. McKendree is represented by the Iota Delta chapter, under the sponsorship of Dr. Lillian Steckman.

The purpose of this fraternity is to promote mastery of written expression, encourage reading, and foster a spirit of fellowship among those students who are interested in writing.

There are several degrees of membership based upon academic classification, the number of English courses taken, and the amount of material published in student publications. The students also contribute material to the national magazine, "The Rectangle."

The charter members are: Florence Zahnow, President; Gladys Bradford, Secretary; Franz Hohn, Treasurer; William Dean Sanders, Carl Bracy, Kenneth Brown, and Willard Friederich. Dr. C. R. Yost is an honorary member.

Back row—K. Brown, W. Friederich, F. Hohn, W. Sanders, C. Bracy.
Front row—G. Bradford, Dr. Steckman, F. Zahnow.

PHILOSOPHIAN LITERARY SOCIETY

Standing—C. Lowry, W. Pruett, Wm. Eaton, Carl Koch, Wm. Hinkel, H. Walker, D. Hortin.
Seated—J. Oppitz, C. Hortin, K. Brown, A. Schmedake, C. Bracy, W. Sanders.

Philo, the only centenary organization on the hill, may well hold its head high as it carries on its one hundredth year of activity. It is one thing to organize a society but quite another to keep it going for so long a period. It is difficult to realize that the Philosophian Literary Society extends almost as far back as McKendree itself. All of its members should be extremely proud of such a record of achievement and success.

This society seems to improve with age. "To encourage literary achievement and debate," the purpose set forth by the charter members one hundred years ago, remains the purpose of the organization today; but in order to carry out this aim, the members realize that the new ideas of the present must be adopted to insure Philo's existence in the years to come.

Open session is held once each month and all interested are cordially invited to attend.

Plans were made for the banquet to be held next year celebrating the centennial anniversary.

PLATONIAN LITERARY SOCIETY

Plato was established in 1849—the year when the pioneers went West to try their luck in the gold fields. Just as they were successful in their endeavors, so the Platonians have been a great success in the literary field.

From the practical standpoint, no study or activity offers a better preparation for the everyday affairs of life than does debating, and the related activities.

Believing that the development of the whole man is necessary for outstanding success in any endeavor, the society again produced a fine basketball team. The team received its only defeat in the championship game of the Intramural League.

Standing—D. Harmon, A. Wehmeier, B. Baldridge, C. Hertenstein, R. Unverzagt, D. Donham, R. Harris, J. Rauth.
Seated—G. Whittington, P. Sampson, J. Tippett, H. Hertenstein, L. Mewmaw, E. Bauer.

CLIONIAN LITERARY SOCIETY

Standing—D. Eaton, L. Smith, C. Rawlinson, I. Crall'e, G. Yost, J' Barnhart, M. Jeanes, M. Reed, B. Grossman, H. Handel, E. Schmedake, M. Kropp, M. Russell, R. Hever, W. Hever.
Seated—M. McLa'n, C. Gilkison, M. Wolfe, P. Bunge, D. Pfeffer, D. Fincke, D. Schmedake, M. Carson, J. Kelly, C. Boyd, S. Heely.

The Clionian Literary Society, the only woman's organization of its kind upon the campus, was founded in December of 1869. This was just a few months after women were admitted to McKendree. Twenty women were listed in the college catalogue at that time and fifteen of them banded together to organize this fine society.

Every member is enthusiastic in making the meetings held every week as interesting and beneficial as possible. The programs, consisting of declamations, essays, assigned addresses, impromptus, and current events, afford young women an excellent opportunity for training in leadership. The first Monday of each month is set aside for open session.

The homecoming reunion of old grads again demonstrated the truth of the saying, "once a Clionian, always a Clionian." The old members, after telling of their experiences while members of Clio, listened to an account of the interesting pledgeship which the younger members experienced this year.

The annual exhibition program held at the close of the school year is presented by the senior women of the organization. The Clionian banquet is always an important social affair.

PHI LAMBDA TAU

The third year of Phi Lambda Tau has seen the production of the musical comedy, "Life Is A Song," presented by the members and pledges of the sorority. This year will also see the graduation of the last two charter members of the organization, who, with nine others, on November 16, 1933, received permission to carry on as a group the three-fold purpose of the sorority: high spiritual, scholastic and social standards.

The social calendar of Phi Lambda Tau included a theatre party at the Orpheum in St. Louis; a number of rush parties which carried out a "nautical" theme; a Home-coming reunion; a "Progressive" party at Christmas; the annual spring banquet; and the annual Old Home Town day, held on the week-end of April 18 and 19. The purpose of Home Town Week-end is to entertain girls who are ready to enter college, with the hope of interesting them in McKendree.

Members who were initiated into the sorority during the second semester are: Geraldine Gibson, Kathryn Harmon, Catherine Rawlinson, Beulah Grossman, and Myra Jeanes.

The officers included:

BETA ALPHA MU

From left to right—G. Bradford, M. Chapple, M. Mowe, A. Stanton, Miss Thomas, L. Winterrowd, M. Dieckmann, L. Crow, M. Binder, V. Hamilton.

Friendship, loyalty and cooperation is the three-fold purpose of the Beta Alpha Mu Sorority, and it is through efforts along these lines that they hope to attain a betterment of sorority life and make of college girls more cultured young women.

The sorority was given official recognition in November, 1933. Two of the charter members are still active.

Homecoming was a complete success for the BAM's this year, for they had an entire representation of all their members, past and present.

The social activities of the year have been numerous and varied. They include a slumber party at the home of Margaret Chapple, Lebanon, and a fireside supper at the home of Arline Stanton, Collinsville. During the second semester there was the rush tea, hobo dinner, and final rush dinner at Hotel Belleville. Other events occurred, such as a St. Patrick's luncheon with Martha Mowe; a spring party given by Gladys Bradford and Leone King, associate member; and the annual spring banquet.

Miss Cora Thomas, head of the Speech Department, is the new faculty sponsor.

Three pledges have become Beta Alpha Mu members this year: Louise Crow, Louise Winterrowd, and Ada Koch. Helen Ernst was initiated as an honorary member.

Officers were as follows:

First Semester: President, Martha Mowe; Vice-President, Mary Dieckmann; Secretary-Treasurer, Gladys Bradford.

Second Semester: President, Velma Hamilton; Vice-President, Mary Dieckmann· Secretary-Treasurer, Louise Winterrowd.

KAPPA THETA TAU

The nine charter members of the Kappa Theta Tau sorority, organized in November, 1933, set forth the purpose "to promote scholarship, friendship, and social activities among its members." The Alumni Association, whose aim is to continue the purpose of the sorority after leaving school, had its first anniversary in October, 1935.

During the summer of 1935, a combined luncheon and plunge party was held at the Locust Hills Country Club of Lebanon for the purpose of interesting new girls in McKendree College.

The fall activities included a waffle supper at the home of Mrs. Paul Walford, the sorority sponsor; a Kappa Theta Tau Studio party reunion on Homecoming day at the home of Mrs. Omar Fox; as well as a Christmas party. Rush week in January featured a transcontinental trip carried out by means of an English Tea at the home of Mrs. C. Heer, a visit to Chinatown at the home of Mrs. L. East, and an American Sports "Brunch" with Mrs. J. Zinkgraf. A Leap Year party was held at the Lincoln Hotel in Belleville on February 29. A wiener roast and the annual spring banquet concluded the year's activities.

Members initiated during the past year were: Clara Frances Boyd, Elinor Freshour, and Jackie Mae Kelly.

The officers of the society are: President, Isabel Smith; Vice-President, Dorothy Fincke (first semester); Secretary, Elfrieda Heer, and Treasurer, Fern Fox.

Left to right—E. Freshour, I. Smith, J. Kelly, Mrs. Waldorf, E. Heer, F. Fox, C. Boyd.

ALPHA MU OMEGA

Seated—M. Madden, M. Randall, J. Larsh, R. Zeller, L. Cravens, G. Strecker, B. Isselhardt.
Standing—H. Larsh, L. Randle, R. Schwarz, J. Dillinger, V. Mourning, W. Blackburn, L. Rice, P. Lingle, K. Wilson.

Alpha Mu Omega fraternity, organized in 1925, has continued to further the best interests of its members, both fraternally and socially. This year the A.M.O.'s developed a championship Intramural League basketball team. The fraternity "basketeers" defeated Plato in the season's final play-off game which ended the "hotly contested tourney."

Instead of the usual minstrel show, the fraternity sponsored the movie, "Ah! Wilderness," at the Alamo Theatre.

It is not an uncommon sight to behold an A.M.O. pledge in outlandish attire strolling about the campus offering his paddle to a "frat" brother. The pledges who "braved the storm" of ridicule, paddlings, and humiliation were: first semester—John Larsh, Malcom Randall, Bernard Isselhardt, Roger Zeller, Melvin Madden, and George Strecker; second semester—Truman Reynolds, and Fred Doerner.

The social activities of the year included three stag affairs for the pledges, a party at Hotel Belleville, and the annual spring banquet at the Hotel Jefferson in St. Louis.

The presiding officers of the first semester were: President, Howard Larsh; Vice-President, Kenneth Wilson; Secretary, Peyton Lingle. Second semester officers were: Kenneth Wilson, President; Peyton Lingle, Vice-President, and Virgil Mourning, Secretary.

THE BACHELOR FRATERNITY

The Bachelor fraternity was organized in 1919. The aim of the fraternity—"the promotion of fraternal and social relationships among the men students on the hill"—has been successfully carried out through the years of its existence.

The Bachelor loving cup, presented as a special recognition of scholarship, was received by Ralph Whitson, whose name will be placed on the fraternity honor roll and engraved on the cup.

A wiener roast in the fall opened the social events. The Bachelors and A.M.O.'s entertained jointly at a stag party. Other social affairs included a party at Hotel Belleville and the annual banquet in St. Louis, May 2.

The officers of the first semester included: Paul Mauck, President; William Dean Sanders, Vice-President; Carl Koch, Secretary-Treasurer; and Wayne Bise, Sergeant-at-arms. Those of the second semester were: William Dean Sanders, President; John Rauth, Vice-President; Ralph Whitson, Secretary-Treasurer; and Don Wilson, Sergeant-at-arms.

Standing—J. Sampson, J. Beers, B. Baldridge, C. Norris, C. Hortin, W. Bise, A. Schmedake, S. Harris, R. Jaeckal, W. Hinkel.
Seated—J. Whittington, J. Rauth, C. Koch, G. Krizek, J. Crawford, P. Mauck, W. Sanders, D. Wilson.

SIGMA BETA RHO

Top—B. Woodard, L. Mewmaw, W. Pruett, J. Connett.
Middle—L. Hamerson, D. Harmon, C. Bracy, C. Grove, C. Davis.
Front—Dr. Yost, Dr. Walton.

The high purpose of Sigma Beta Rho can best be stated by its motto—"Service, Brotherhood, Religion." The organization attempts to establish closer fellowship among the ministerial students.

Sigma Beta Rho, besides arranging for her members to have interviews with representatives of the major seminaries, acts as a "round table" for discussions of the problems of the young minister and of subjects relative to the profession of her members. As such, she renders a definite service to the members and enables them to live their motto more effectively.

The organization, sponsored by Dr. Walton, was established in 1931. Dr. C. L. Peterson, Dr. C. R. Yost, and Rev. D. A. Tappmeyer are honorary members. New members initiated this year were: Commodore Grove, James Connett, Lars Hamerson, Carl Davis, Raymond Clodfelter, Byrl Woodard.

A special chapel service was conducted by the society.

Officers for the year were as follows: President, Carl C. Bracy; Vice-President, Dale Harmon; Secretary-Treasurer, Lisle Mewmaw.

OUT-STATE CLUB

The Out-State Club is enjoying its second year on our campus. It was organized by Miss Elsa Mae Tyndall in the fall of 1934 with eighteen charter members, and has grown in popularity if not in numbers. Its membership depends upon the number of strangers within our gates, whom it is the Club's aim to look after in the best spirit of aid and friendliness.

The prevailing spirit of the organization is one of appreciation of the "other fellow", and a sharing in his interests and ideals.

Programs have been presented which have furnished much information as to points of interest and historical importance of various sections. The special project for the year consisted of gathering material of historical and geographical nature from the various states represented. This material will be housed in the college library, and will be made available to all students of the college.

States represented this year are Virginia, North Carolina, Georgia, Mississippi, Kentucky, Indiana, Iowa, Wisconsin, and Missouri. Illinois and the city of Lebanon each have one representative.

Officers for the first semester were: President, John Paul Sampson; Vice-President, Gladys Bradford; Secretary, Marjorie Binder; Treasurer, Peyton Lingle. The second semester officers included: President, Gladys Bradford; Vice-President, Jackie Mae Kelly; Secretary, John Paul Sampson; Treasurer, Carlee Lowry.

Standing—P. Sampson, P. Lingle, Dr. Dolley, J. Crawford, C. Lowry.
Seated—Miss Thomas, G. Bradford, M. Binder, Miss Tyndall, J. Kelly, M. Wolfe.

NATURE CLUB

Left to right—M. Russell, M. Knapp, A. Reed, M. Douthitt, Dr. Spencer, B. Baldridge, R. Heyer, D. Eaton, A. Wehmeier, V. Hamilton, M. Miller, L. Mewmaw, J. Finley, C. Whittington, E. McGary, R. Harris, H. Walker, E. Bauer, C. Lowry, S. Oexemann.

The real purpose of the Nature Club is to acquaint people with and permit them to gain an appreciation of the various forms of nature. The Nature Club is an excellent means of gaining such an appreciation. Nature study is a fascinating subject and all who know anything about it are anxious to learn more. Field expeditions and bird hikes make it possible to gain added information.

To help the student body to appreciate more fully the natural beauty of our campus, the club again sponsored "Campus Week." In connection with this a "Nature Exhibit" was held.

The Nature Club is responsible for many improvements on the campus. This year it sponsored the project of placing signs introducing McKendree College on the highways leading into Lebanon.

Last fall, the club went on an over-night trip to the canyon south of Murphysboro. The members brought back trees and ferns for the campus.

I wish you all the delectable goodies of life, for you deserve them.

LITTLE THEATRE

President.....Clifford Hertenstein
Vice-President.....Mary Etta Reed
Secretary-Treasurer.....Elfrieda Heer

One of the most popular organizations on the campus is the Little Theatre. This group not only affords a large number of students an opportunity to take part in dramatic productions but also makes it possible for them to obtain eligibility points for Alpha Psi Omega. Its major purpose is to "instigate and perpetuate the histrionic art on McKendree's campus." Membership is based on the passage of a dramatic test and a majority vote of the members.

Four stock companies take turns in presenting the Little Theatre programs. Some of the plays presented were "A Weakness for Nurses," "Fancy's Knell," "First Dress Suit," "The Mouse Trap," and "Sauce for the Goslings."

"Little Women" was the Homecoming play sponsored by the Little Theatre.

Various degrees are conferred upon the worthy members of the organization. These degrees include: Managing and Staging; Character Portrayal; and Play Production. "We Fight Again," an original play by Willard Friederich, was presented in the annual Midwestern Folk Drama Tournament at Cape Girardeau, April 4, as well as on our own campus in conjunction with the Spring play, "Dollars to Doughnuts."

Standing—L. Mewmaw, J. Connett, W. Friederich, H. Walker, W. Pruett, C. Hertenstein, L. Hamerson, R. Unverzagt, M. Jeanes, L. Winterrowd, M. McClain, R. Zeller, J. Finley, E. Bauer, H. Hertenstein, C. Lowry.
Seated—E. Heer, F. Fox, B. Grossman, P. Barnhart, H. Handal, J. Kelly, Miss Thomas, A. Koch, A. Stanton, M. Carson, M. Wolfe, M. Reed, M. Creed.

Y. W. C. A.

The Y.W.C.A., an organization of thirty-eight years' activity on the campus, is one of great importance. It provides a "Big Sister" for each Freshman girl as she arrives on the hill. In this way the new-comers are assisted in becoming acquainted with college life.

This year the theme for the first semester study was appreciation of Art, Music, Poetry, and Nature. The study of various foreign countries to encourage world fellowship made up the discussions of the second semester. The Y.W. brings the girls together throughout the school year through weekly devotional meetings.

One of the main objectives of the organization is to establish a firmer friendship between the off- and on-campus girls. The Y.W. opened the year with a wiener roast. Early in the fall, it entertained all the girls of the college at a Pajama Party, given in the reception room of Clark Hall. Another activity of the organization was an outdoor meeting which ended with a "Hamburger fry" at the oven near Lake Beautiful.

The organization is a member of the Geneva region of the Y.W.C.A. Representatives of McKendree's Y.W. were present at the conferences held at Knox College in November and at James Millikin University in March. Two delegates were sent to the Student Volunteer Convention held in Indianapolis in December. Two representatives attended the Geneva summer conference last summer and representation is again being planned for the coming June.

Presiding officers were: President, Iva Lou Cralle; Vice-President, Mary Knapp; Secretary-Treasurer, Mary Margaret Carson; Chaplain, Gwendolyn Yost; Program Chairman, Dorothy Schmedake; World Fellowship, Helen Handel; Room Chairmen, Evelyn Schmedake, Fern Fox; Pianist, Catherine Gilkison; Social Chairman, Velma Hamilton.

Back row—J. Oppitz, Dr. Scherer, H. Hertenstein, A. Schmedake.
Front row—W. Sanders, C. Bracy, W. Pruett, J. Connett, K. Brown, K. Wilson, H. Larsh.

An organization of long standing on the hill and of worthwhile standards is the Y.M.C.A. It is extremely helpful to new students in those first days of the inevitable "homesickness". In an effort to assist the new students to become familiar with a new and different life, the joint Y.'s entertained the entire student body at a "Get Acquainted Party" during opening week.

The organization is responsible for the annual handbook, which contains essential information for all student and faculty members. It is issued gratis to all at the beginning of the school year.

Regular meetings are held twice a month. Once each month a meeting is held in conjunction with the Y.W.

This year the Y.'s sponsored a special Armistice Day program. The speakers were Dr. Elmer Leslie of Boston Seminary and Rev. Rene Aeschlimann.

Delegates from McKendree were sent to the Student Volunteer Convention at Indianapolis in December. The Y.M. also plans to send representatives to the summer conference at Geneva.

The officers of the organization were: President, Carl Bracy; Vice-President, Kenneth Brown; Secretary, James Connett; Treasurer, John Oppitz; Deputation Chairman, Harold Hertenstein; Social Chairman, Kenneth Wilson; Freshman Adjustment, Howard Larsh; Hi-Y Chairman, Walter Pruett; World Fellowship, Albert Schmedake.

The Women's Glee Club, the goal of every girl who can "carry a tune," is composed of twenty-three voices under the interested, active, and talented direction of Miss Pauline Harper. This organization provides excellent opportunities for all who love to sing and appreciate good music.

The annual spring concerts, consisting of appearances in various churches and schools, extended from March 26-30. The club visited Gillespie, Bunker Hill, Herrin, Benton, Carterville, Carbondale, Edwardsville, Murphysboro, and Harrisburg. The program at Harrisburg was broadcast over Station WEBQ.

The following officers were elected: Pearl Dick, President; Catherine Gilkison, Vice-President; and Mary Margaret Carson, Secretary-Treasurer.

The Women's Quartet, an organization in itself, has had a busy year. It has appeared before high school groups in the interest of its Alma Mater as well as on the Glee Club concerts. The outstanding event in the minds of its members was its "debut into the radio world" in conjunction with Dr. C. R. Yost's address over Station WIL, St. Louis.

MEN'S GLEE CLUB

J. Beers
K. Brown

Best of luck. It has been a pleasure to know you. J. Beers.

McKendree life would be incomplete without this organization on the hill. Miss Pauline Harper, the director, has discovered many a boy with a promising voice who was too timid to let the world know about it. "Mom", as Miss Harper is best known to the boys, is a favorite with all.

The Men's Glee Club made its spring concert trip March 19-23, visiting Donnelson, Hutsonville, Trenton, Olney, Lawrenceville, and Mt. Vernon.

The officers of the club are: Carl C. Bracy, President; Gerald Whittington, vice-president; James Beers, secretary-treasurer.

The Men's and Women's Glee Clubs continued their fine cooperation by presenting a combined spring concert and by joining with the community chorus in the presentation of the oratorio, "The Daughter of Jairus," by John Stainer, on the evening of May 31.

The Men's quartet added one new member to its ranks—Kenneth Brown filling the vacancy created by the failure of William Holt to return this year. In addition to appearing with the Men's Club and before high school groups, it combined with the Women's Quartet and eight selected voices in presenting the cantata, "Calvary," by Wessel, in the Lebanon M. E. Church, April 5, and before the Schubert Club of East St. Louis, April 6.

Back row—E. Kennedy, W. Pruett, J. Beers, C. Koch, W. Bise, L. Hamerson, W. Eaton, B. Baldridge, H. Larsh, F. Hohn.

Front row—H. Handel, E. Schmedake, V. Hamilton, M. McClain, C. Rawlinson, M. Wolfe, G. Gibson, G. Yost.

The W.A.A. was founded in the spring of 1934. It gives the women students of McKendree an opportunity to participate in organized sports. It not only affords the proper kind of exercise but also helps one to lose those "extra pounds"—as one of the girls secretly stated. Continued activity in sports is recognized in the form of a purple and white "M". To become a member of the association, a girl must participate actively in two sports.

In the fall the main sports were baseball and soccer, at which time the local team participated in the annual Sports Day at Normal, Illinois.

This year, for the first time, the women's basketball team played several intercollegiate games. They returned from Blackburn with a victory, and again defeated the Blackburn quintet on the Eisenmayer court.

A W.A.A. basketball tournament was held during the winter season. Volley ball, tennis, baseball, and track completed a very successful and active program.

"M" CLUB

President . . . . . John Rauth
Vice-President . . . . . Kenneth Wilson
Secretary-Treasurer . . . . . William Sanders

The "M" club, an organization made up of the men who have won a college letter in a major sport, enables the athletes of the school to join in united effort to bring about a better type of sportsmanship in collegiate contests.

The club has, this year, changed the former policy of awarding sweaters. Beginning with next year, sweaters will be awarded in the major sports. The new policy provides for the awarding of sweaters the first and third years only. For the additional years, chevrons will be given to replace the old ones.

Long after the sweaters and letters have become worn, the graduating senior may still treasure the club trophy he received in each sport in which he won a letter.

Plans are being made to bring an alumnus, Jack Haskins, with his amateur circus. This will enable the students of the college to see one of the best amateur circuses in existence in the country.

The officers of the club are: President, John Rauth; Vice-President, Kenneth Wilson; Secretary-Treasurer, William Dean Sanders.

Top row—C. Hertenstein, G. Krizek, J. Beers, W. Bise, W. Blackburn.
Third row—V. Mourning, W. Sanders, R. Jaeckel.
Second row—C. Norris, L. Randle, R. Schwarz, P. Sampson.

Le Cercle Francais, under the direction of Miss Elsa Mae Tyndall, head of the French Department, is a flourishing organization of cultural and social nature. It numbers some forty members.

The club was organized for the purpose of promoting a deeper interest in the study of French language and literature as well as to gain some knowledge of French character, customs and traditions.

The chief features stressed this year have been the learning of many songs and games. Interesting facts in French life and history are given in answer to roll-call; and the programs consist of short topics on French subjects, poems, jokes, contests, charades, games, and songs.

The officers of the first semester were: President, Marjorie Binder; Vice-President, Catherine Gilkison; Secretary, John Paul Sampson; Treasurer, Peyton Lingle. Those officiating the second semester included: President, Peyton Lingle; Vice-President, Helen Handel; Secretary, Mary Margaret Carson; Treasurer, Evelyn Schmedake.

History repeats itself! At least the statement remains a fact when speaking of the Bearcats' recent records on the gridiron. In three of the past four years, McKendree has been a strong contender in the fight for a share in that coveted conference crown. Their fondest hopes appeared inevitable and their conference crown seemed assured, but something happened. The Purple was knocked off in the grand (?) finale.

Last year was no exception. The Bearcats went through their conference chart undefeated until the final game. On the basis of previous scores, the Waldorfmen seemed to have a slight edge over Illinois College. But history repeated itself, and something happened. Although the Bearcats outplayed the Blueboys in every department but touchdowns, they were unable to overcome an early lead and consequently, succumbed by a 13-0 score.

:—:

"Always a fighting team, McKendree again this year can present two full teams that would compare favorably in weight with almost any larger college or university."

—St. Louis Post-Dispatch.

"Tackling, tackling and tackling . . . hard, fast, clean and low, just about tells the story of McKendree's scrapping band of Bearcats as they stood up before the highly-touted Washington University Juggernaut and gave them more than they had bargained for during most of the battle at Francis Field, St. Louis, last night."

—I. W. Baechle, Belleville Daily Advocate.

COACH P. D. WALDORF

Dot.
It really has been a pleasure
knowing you this past year
and hope to see you in Mississippi
in years to come. Best
of luck to you and yours.
Pal

CAPTAIN HOWARD LARSH, Senior
East St. Louis

Guard, *Associated Press* and *International News Service* Second All-Star Selection; Four-Year Letterman.

The senior member of the Larsh linemen, with a do-or-die spirit, always charging quick and hard, perhaps played the leading role on Coach Waldorf's "wrecking crew." The 192-pounder proved a great general. Larsh will doubtless be listed among McKendree's grid immortals.

"Captain Howard Larsh, who has proven in previous games that he relishes the mud, mowed down his heavier North Central opponents with comparative ease."—*Belleville Daily Advocate.*

"Cap. Larsh played a marvelous defensive game against the Soldiers."—*St. Louis Globe-Democrat.*

KENNETH WILSON, Senior
Granite City

Halfback, *AP, UP* and *INS* First All-Star Selection; *United Press* "Little All-America" Honorable Mention; *UP* most Valuable Player in Conference; Voted Squad's most Valuable Man; Second High Individual Scorer in Conference; Four-Year Letterman.

The slippery, spinning, snake-hipped, wily "Spike" Wilson certainly justified the honors that every critic in the conference and every sports writer in the state bestowed upon him. He was one of the few quadruple-threat backs in football history.

"Wilson is a star of the first rank and will go down in McKendree history as one of the greatest, if not the brightest, light of the gridiron history of the college."—Fred Young, *Bloomington Pantagraph.*

"'Spike' Wilson, lithe left halfback of the McKendree crew . . . was the best defensive man on the field in the Washington U.-McKendree game."—John G. Scott, *St. Louis Globe-Democrat.*

"Failure to keep the ball out of Kenneth Wilson's possession in the final minutes of play gave the conference's leading scorer his chance to down North Central almost single handed."—*Chicago Tribune.*

"He fulfilled the chilled spectator's fondest expectations by going over a few minutes later with the score that keeps the Bearcats at the top of Little Nineteen Schools."—*East St. Louis Journal.*

JOHN RAUTH, Senior
Belleville

Quarterback, Three-Year Letterman.

If there was an unsung hero on the 1935 outfit (he sings occasionally himself) it must have been "Riot" Rauth. Playing him at guard, center, and halfback in his first three years, Coach Waldorf shoved the talkative one into the hitherto weak quarterback post. And the "Flying Dutchman" proved to be a Sparkplug. He was an able punter, a deadly tackler, and a hard blocker.

"Johnny Rauth, quarterback, saved the day for the Bearcats on one occasion when his deadly tackling averted a touchdown for the North Central Cardinals."—*Belleville News-Democrat.*

"Waldorf's only offense against the Miners consisted of an aerial attack . . . the hard-blocking quarterback snapped seven of Wilson's passes and missed one."—*Belleville Daily Advocate.*

WILLIAM EATON, Senior
Edwardsville

Tackle, Three-Year Letterman.

Bill never really learned to handle himself to the best advantage until his last year. He was always "rough and ready." Eaton's shoes will not be easy to fill next year.

PAUL MAUCK, Senior
Fairfield

End, Three-Year Letterman.

Unfortunately for Mauck, Waldorf had a couple of virtual all-conference ends. His services as a utility

man, however, could hardly have been improved upon. In the art of knocking down interference, the big blond one was a master. He will be missed next year. Mauck was at his best in the mud.

"Paul Mauck, capable end, 'sliced' through the mud from his flank position to nab North Central's offensive stars behind the line of scrimmage on as many as a dozen occasions."—*Belleville Daily Advocate.*

WALLACE BLACKBURN, Junior
Edwardsville

Tackle, *INS* First All-Star Selection; *AP* Second All-Star Selection; *UP* All-Star Honorable Mention; Captain-elect; Three-Year Letterman.

Wally had an uncanny knack of using all of his 218 pounds to advantage. Never a colorful player he must be rated as one of the leading tackles in the state. His opponents best respect his ability. His flair for "getting along" with his fellow gridders should make him a great leader next year.

"Led by Wilson and Blackburn, who was a tower of strength in the line, McKendree gained a moral victory over Washington University's 'Wonderbears.'"—*St. Louis Star-Times.*

"McKendree's heavier-than-usual forward wall is headed by Wally Blackburn, 218-pound tackle."—*Belleville News-Democrat.*

CLAIR NORRIS, Junior
Pontiac

Fullback, Two-Year Letterman.

Chuck came back in great style after only a mediocre season in '34. His ability to drive through the line was remarkable. Norris' play against St. Viator more than offset a few "off" days that he suffered. There is every reason to believe that next year should prove the best of his career.

"Chuck Norris, apparently off for a great year, scored a touchdown in each of the next three periods against the Aviators."—*Belleville Daily Advocate.*

RICHARD SCWHARZ, Sophomore
Belleville

Center, Two-Year Letterman.

Over the ball nearly every minute of play during the entire season, Dick showed us what he could do at his favorite pivot post. His defensive work was outstanding. For the next two years he is expected to dominate the conference play at the snapperback position.

"Schwarz played a prominent role in winning the crucial conference game by his numerous recoveries of fumbles."—*Belleville Daily Advocate.*

"Dick Schwarz, at center, formed the nucleus of Waldorf's formidable forward wall against the Miners."—*Belleville News-Democrat.*

DON WILSON, Sophomore
Oblong

Guard, Two-Year Letterman.

The husky guard with the dimples usually won a starting assignment. He especially came in handy when McKendree chose to kick off. "Crow" is as smart a football man as Coach Waldorf had. His future as a regular seems assured.

LEROY RANDLE, Junior
Caseyville

Halfback, Two-Year Letterman.

Always a spotty player, "Flappy" is at his best as an open-field runner. His failure to block is his chief weakness. His greatest asset is his speed, which more than makes up for his small stature. He is much too dangerous for the opposition to turn loose.

VIRGIL MOURNING, Sophomore
Wood River

Guard, Two-Year Letterman.

Virg alternated at the guard post with D. Wilson. He proved to all doubters that he's not actually blind by his numerous recoveries of fumbles—especially in the Illinois College game. If he does decide to move to Beaver Creek, let's hope he doesn't make his residence permanent.

DUDLEY KLAMP, Sophomore
Irvington

Tackle, Two-Year Letterman.

The 258-pound bundle of avoirdupois probably ranked second only to Wilson in the amount of printer's ink he drew during football season. He was one of the most talked-about men in the conference. He was the biggest gridder in the state, and was far from being below the average in ability. "Cuddle" Klamp should be a star next year.

LEROY RICE, Junior
Flora

Guard and Quarterback, *UP* All-Star Honorable Mention; Three-Year Letterman.

"Duck," handicapped by injuries, was never the player he had been in his two previous years here. His ability to back up the line on defense, in addition to playing guard on offense, made his services invaluable.

"McKendree football stock dropped slightly today with the announcement that Leroy Rice, star guard who sustained a serious leg injury in the homecoming game, would not be available for action in the State Normal game Saturday."—*Bloomington Pantagraph.*

JAMES BEERS, Sophomore
Carrier Mills

End, *AP* All-Star Honorable Mention; First-Year Letterman.

The Jim Beers of 1935 represents the greatest development of the Waldorf-made-machine. Only a comparatively poor substitute throughout his freshman year, Jim came back and clinched a first team berth in the first week of practice. He was especially skilled in knocking down interference. The future looks rosy for "Silent Jim."

"Jim Beers and Capt. Howard Larsh did some great blocking in making possible Wilson's 90-yard run against Normal, just as the two led the McKendree line play throughout the game."—*Bloomington Pantagraph.*

WAYNE BISE, Sophomore
Mounds

End and Fullback, First-Year Letterman.

Without previous high school experience, the lanky blond came through in great style this year. When Strecker was injured, Bise was shifted to fullback and his performance even excelled that while playing on the flank. His development next year will be interesting.

JOHN LARSH, Freshman
East St. Louis

End, *UP* and *INS* All-Star Honorable Mention; First-Year Letterman.

The first of the Larshes brought over from East Side a great high school record, and he started in every game on the gridiron. He specialized in receiving passes and his speed enabled him to nail the punt receiver in his tracks in several instances. A bright future is in store for him. He has a lot of color.

"After sustaining a drive to St. Viator's 11-yard line, Johnny Larsh scored in three plays."—*Bloomington Pantagraph.*

MALCOM RANDALL, Freshman
East St. Louis

Guard, First-Year Letterman.

Mal will bid strong for a regular berth next year. He showed a lot of fight while substituting at guard. He's unusually aggressive and he knows the game.

GEORGE STRECKER, Freshman
East St. Louis

Halfback and Fullback, *INS* All-Star Honorable Mention; First-Year Letterman.

Sam, the thunderbolt from East Side, says little but does a lot. He's a deadly line plunger and a hard tackler. His future promises much.

"Strecker scored through Western's line again in the final minute of the fourth quarter."—*St. Louis Globe-Democrat.*

"Big George Strecker . . . is always good for that extra needed yardage."—*East St. Louis Journal.*

BASKETBALL SQUAD

Standing—J. Beers, A. Wehmeier, R. Zeller, G. Krizek, B. Isselhardt.
Seated—A. Manis, J. Rauth, K. Wilson, W. Bise, J. Larsh.

The Bearcat basketball record was impressive, but far from spectacular. Barely breaking even in a schedule of 22 games, Waldorf's cagers found their conference competition much too keen. The Bearcats managed to down Shurtleff in one game and turned back Northern State Teachers, but in eight other conference conflicts they sustained setbacks. Though losing to the best teams in the League, the Waldorf-coached quintet was able to hold its foes to a comparatively low score. McKendree scored 851 points to their opponents' 829.

Despite the fact that the Bearcat basketeers won only two Illinois Intercollegiate Conference games, they had the satisfaction of playing the best teams in the loop. With the exception of the Shurtleff Pioneers, every McKendree foe was a virtual contender for the conference crown. One Purple cager, "Spike" Wilson, was named by the Associated Press on the conference all-star team; and Wayne Bise, on the same selection, was awarded honorable mention.

With only two men lost from the entire squad by graduation, basketball future at McKendree appears to be on the upgrade. Returning lettermen are: Gus Krizek, Arthur Wehmeier, Wayne Bise, Captain-elect Roy Jaeckel, John Larsh, and Alfred Manis.

BASKETBALL LETTERMEN

CAPTAIN KENNETH WILSON, Senior
Granite City

Guard, *Associated Press* All-Star Selection; Four-Year Letterman.

"Spike" Wilson scored 256 points in 22 games for a grand total of 751 points in four years of college basketball. His scoring mark was good enough to finish third among individual scorers in the Little Nineteen Conference. Wilson's best performance was against Carbondale Teachers when he tallied 18 markers. The sharp-shooting guard added a lot of color to the Bearcat squad.

GUS KRIZEK, Junior
Belleville

Guard, Three-Year Letterman.

Although handicapped late in the season with an attack of mumps, Krizek came back to give Coach Waldorf's outfit a lot of help in the last two weeks. Krizek appeared to be headed for a spectacular season until the inflammation of the parotid glands downed him. It is hoped that Gus will continue to hit the hoop with the same consistency that he has done for the past two years.

WAYNE BISE, Sophomore
Mounds

Forward, *Associated Press* All-Star Honorable Mention; Second-Year Letterman.

Bise was perhaps the most consistent and the most dependable man Coach Waldorf had. He had no first-hand experience with "off-nights." Bise's ability to shift to the pivot post in a relief role added to his usefulness. In spite of being held out of the last three games because of a twisted ankle, Bise accounted for 135 markers.

ALFRED MANIS, Freshman
Benton

Center, First-Year Letterman.

Before the season ended "Slim" Manis learned to use every inch of his 80 to advantage in knocking down passes and forwarding the offense. Manis' only fault was his lack of endurance, and he remedied this near the end of the season. In his first year of college basketball, "Slim" racked up 147 points to finish third among the Bearcats. Manis' height should make him one of the most valuable men in the conference next year.

JOHNNY RAUTH, Senior
Belleville

Guard, First-Year Letterman.

After four years of diligent and ardent practice, Rauth finally got his first "M" in basketball. His chief weakness was his tendency to use football tactics on the hardwood. Johnny's ability to make good long shots was much better than the average. He always did his share when Waldorf chose to use the man-to-man defense.

ROY JAECKEL, Sophomore
New Athens

Forward, Two-Year Letterman; Captain-elect.

In the art of handling the ball, Jaeckel copped the honors on the Purple quintet. He was so skillful in whipping the ball to all corners of the gymnasium that even his mates sometimes found difficulty in following him. In his first full year as a Bearcat Jaeckel scored 151 tallies in 21 games to rank second to Wilson in high scoring. Jaeckel's future as a regular is assured.

ARTHUR WEHMEIER, Junior
Collinsville

Guard, First-Year Letterman.

Coach Waldorf recruited Artie from the Intramural League. He came along fast and near the end of the season he was a virtual regular. Wehmeier didn't break any scoring records but it was perhaps because he so seldom took a shot. He made it his own personal business to see to it that the opposition didn't do too much scoring.

Wilson — Rauth
Krizek — Jaeckel
Bise — Wehmeier
Manis — Larsh

JOHN LARSH, Freshman
East St. Louis

Forward, First-Year Letterman.

Just as in football, Larsh upheld his high school reputation. He made progress as the season advanced and he has given us every reason to believe that he will be a star before he leaves McKendree. His height added to his value as a defensive man. His favorite under-the-basket shot enabled him to score frequently.

TRACK

Back row—W. Bise, R. Unverzagt, R. Jaeckal, G. Strecker, J. Gruchalla, J. Larsh, R. Zeller, Coach Waldorf.
Middle row—P. Sampson, W. Sanders, H. Walker, W. Pruett, S. Oexemann, B. Ottwell, M. Trimble.
Front row—J. Rauth, M. Randall, C. Davis, J. Finley, M. Madden, L. Mewmaw.

The Purple thinly-clads, with a more versatile team than has represented McKendree on the cinders in recent years, got away to a flying start this year and emerged the victor in the first four dual meets of the season. In succession, Coach Paul Waldorf's Bearcats turned back Blackburn, Concordia Seminary, Shurtleff, and The Principia.

In the initial meet of the season the weight men justified Waldorf's fondest hopes and came through to sweep all three places in each of the three weight events. McKendree lost only five firsts in the 73-57 victory over the Carlinville lads. Bill Sanders and Paul Sampson, with 15 and 14 points, respectively, stole the individual honors for the day.

The Bearcats easily won their second victory of the season by downing the Seminarians at Concordia, St. Louis, 87-35. Roger Zeller beat out Sampson for high scoring honors for 14 points.

In the Shurtleff Pioneers, McKendree faced its first real competition. Although the Purple tracksters lost only four firsts, the secondary men failed to do their part and as a result the Pioneers scored heavily in seconds and thirds. The versatile Sampson had his greatest day of the season against the Alton lads. Scoring in six events, the fleet-footed Indian garnered a total of 22 points. His leap of 21 ft. 11 in. in the broad jump was a near-record performance.

TRACK

CAPTAIN BILL SANDERS, Senior
Crossville

Hurdles, Broad Jump, Three-Year Letterman.

During his sophomore year, "Sande" donned his first track uniform and put on his first pair of track shoes,—and earned his letter. This year he scored 18 points in five events in the interclass meet, and won scoring honors in the Blackburn dual with three firsts.

KENNETH WILSON, Senior
Granite City

High Jump, Dashes, Two-Year Letterman.

"Spike" usually accounted for a fair share of the points despite the fact that he did not always find it possible to report for daily practice. The head-first "Wilson Roll" became famous in high-jump circles but no one ever dared imitate it.

PAUL SAMPSON, Senior
Pembroke, N. C.

Dashes, Javelin, Broad Jump, Three-Year Letterman.

Without previous high school experience, this versatile, fleet-footed Indian developed into one of Coach Waldorf's greatest thinly-clad athletes. "Pap" had his "big day" in the annual interclass meet when he entered five events and won five blue ribbons. With equal ability in the dashes, distances, weights and jumps, Sampson should fare well in competition with the best decathlon stars of the country.

ROY JAECKEL, Sophomore
New Athens

Half Mile, Two-Year Letterman.

Somewhat physically handicapped, the lad from New Athens was permitted to run in only one race each meet. One race per meet, however, was enough for the captain-elect of basketball to win his "M" on the cinders.

CHUCK NORRIS, Junior
Pontiac

Pole Vault, Two-Year Letterman.

Norris limited his activities to one event and he did a good job of it. Despite the fact that he was handicapped by a swollen ankle in the meet at Concordia Seminary, Chuck was able to clear the bar at 10 ft. 6 in. He was one of the most consistent men on the Purple squad.

JIM GRUCHALLA, Junior
Benld

Weights, Half Mile, Two-Year Letterman.

Just as was the case last year, Gruchalla did not round into form until late in the season. He did his best on extremely warm days. Although he heaved the discus better than 115 feet, he scored more points in the shot put.

WAYNE BISE, Sophomore
Mounds

High Jump, Hurdles, Two-Year Letterman.

Even if Bise did spoil his reputation as a high jumper this year, he made an even better name for himself in the hurdling department. Bise took a second in the low hurdles at Concordia Seminary in his first attempt at clearing the lower barriers.

ROGER ZELLER, Sophomore
Chester

Mile, High Jump, Two-Year Letterman.

By rigid training, Zeller turned out to be a fair successor to Caruthers. His long stride usually enabled him to account for at least one first. In the Concordia meet he piled up 14 points and copped decathlon honors for the day. Zeller surprised Waldorf this year by revealing an unknown talent in the art of high-jumping.

OAKLEY BRADHAM, Junior
Cisne (No picture)

Dashes, Broad Jump, Two-Year Letterman.

After keeping off the cinders for three years, the one-time star sprinter staged a "come back" and managed to eke out the necessary number of points to merit him another letter. Due to other interests back home, Bradham was unable to participate in all of the meets.

The year 1828 was the beginning of an epoch in American life. The year 1928 was the beginning of the end of that epoch. In that marvelous century systems, institutions, and governments have arisen, flourished, and passed. McKendree survives this crash of things. The currents of confusion have raged in futility against her foundations. She is immortal because her ideals are "anchored to the infinite." She looks hopefully toward the coming of a new day wherein justice, mercy, and humility shall be the prevailing and pervading powers among men. Increasing moral and financial support will enable her to make permanent and powerful a program of Christian education that will conserve the cultural and scholastic traditions and build an enduring structure of learning, Christian faith, and service upon the foundations of heroic sacrifice and glorious achievement.

Class of 1936, be hopeful and unafraid. Intelligence, integrity, and industry will, by grace and faith, build a world of distributed plenty, ordered freedom, moral goodness, and spiritual vitality—and this is the "abundant life."

Secrecy would appear to be the order of the day. Two young spruce trees recently sprang up on either side of the diagonal walk. Apparently no human hand had planted them for no human eye saw it done. But we like those silent symbols of the class of 1936. This class dedicated these trees to the college May 7th, with the following program.

IVA LOU CRALLE, MAY QUEEN, 1936

MAY FETE

The blonde beauty of our campus was crowned Queen of the May on Saturday afternoon, May 2. Iva Lou Cralle of Bone Gap is a near-"A" student and has an "A"-rating personality. Her lack of size is more than compensated for in character. Her Maid of Honor was Phyllis Burge of E. St. Louis. The Queen's attendants were Isabel Smith, Mary Dieckmann, Catherine Gilkison, and Gladys Bradford.

Miss Cralle was crowned queen in the early afternoon and she and her royal following reigned over the May Fete. The W.A.A. field demonstration of the morning had "set the stage" of McKendree's "Kingdom" for a fete and celebration. After the crowning of the queen the Freshman girls pledged their allegiance by the winding of the Maypole. The men displayed their prowess at a track meet at which the contestants performed for the queen and her lovely court.

The program for the day was as follows:

W.A.A. demonstration.
Processional.
Crowning of the Queen.
Winding of the May-pole.
Track Meet.

Miss Cora Thomas was the director of the fete.

McKENDREE FORWARD MOVEMENT

1828 - 1936

The McKendrean Staff extends its appreciation to those companies that have so generously advertised in the preceding pages. It was their help which aided in making the 1936 McKendrean a financial possibility.

We urge the students, faculty and many friends of the college to return the favor by patronizing these firms.
